ABOUT FISHING IN MEXICO

Every vessel in Mexican waters carrying fishing gear, must obtain a sports fishing license for each person on board the vessel.

A sports license is not required for fishing from shore.

Anglers in ocean waters may use as many fishing rods/reels at the same time as desired. In inland waters, only one rod/reel may used at any one time per fisherman. In both instances, the catch limits dictated by law must observed.

A sportfishing license allows the angler to catch fish only; shellfish or crustaceans are strictly prohibited, the only exception is squid. Also totoaba, turtles, marine mammals, reptiles and amphibians are protected by federal law and must be avoided.

For bottom fishing, only up to four hooks may be used in a vertical line.

Electric powered reels may be used by persons with disabilities, and a special permit must be obtained from the authorities.

CATCH LIMITS:

- In ocean waters and estuaries, up to TEN FISH, with a maximum of five fish of the same species.
- Marlin, Sailfish, Swordfish, Shark, and Pescada (*Sterolepis Gigas*), the limit is ONE total— which will count as five of the same species.
- Dorado, Rooster Fish or Sabalo, Berry (*Mycteroperca Jordani*) or Bluefin Tuna (*Thunnus Orientalis*), the limit is TWO total — which will count as five of the same species.
- Squid. The limit is FIVE per angler per day
- Inland, fresh water. The total limit is FIVE fish either of the same or different species.
- Underwater fishing. Only when free diving — no tank, and using a harpoon equipped with rubber band, coil or pneumatic.
- Catch and Release. There is no limit as long as the catch is released in good condition for survival.
- Three days or longer — fishing from a vessel. The accumulated maximum number of catches per angler witll be three times the daily limit as mentioned above.

INTRODUCTION

The Instituto Nacional de Migración (*National Immigration Institute*) is the government arm required by Mexican Law to oversee foreign individuals visiting Mexico. INM has created a new PRE-TRAVEL simplified process in order to facilitate the documentation of those individuals wanting to visit Mexico by boat and wishing to engage in recreational activities, including sport fishing, whale watching, diving and cruising — among others.

The process involves the completion of three simple steps which may be completed BEFORE departing for Mexico, as outlined within this brochure.

GET TO KNOW WHO’S WHO

The Maritime Authority works through MARINA (*Secretariat of the Navy*), to oversee compliance of the regulations issued by the IMO, in order to guarantee protected, efficient and safe maritime passages.

Provides Banking and Credit services to members of the Army, Air Force and Navy, and the general public and oversees the online services allowing payments for the temporary import of vehicles and boats.

An arm of the Mexican government which controls and supervises migration in the country.

The Mexican tax authority responsible for the supervision for compliance of tax and customs legislation.

The Mexican Navy is one of the two independent armed forces of Mexico. The naval forces are called the Armada de México. The Secretaría de Marina (MARINA) (*Secretariat of the Navy*) includes both the Armada and ministerial and civil service.

CONAPESCA is a decentralized body of SADER (*Ministry of Agriculture*) committed to legality, quality and transparency, in charge of fostering and developing coordination with various entities to implement policies, programs and regulations that lead and facilitate the development – competitive and sustainable, of the fishing and aquaculture sector of the country.

CONANP is the institution responsible for safeguarding the areas with the greatest biodiversity in Mexico.

IMMIGRATION REQUIREMENTS FOR INDIVIDUALS & VESSELS WHICH MAY BE PROCESSED PRIOR TO CRUISING IN TERRITORIAL MEXICAN WATERS BY PRIVATE BOAT.

NOTE: These steps **MUST** be completed by individuals **PRIOR** to cruising in territorial Mexican waters for any length of time **WITHOUT GOING ASHORE**. e.g. visiting the Coronado Islands, fishing ventures, offshore cruising, etc.

STEP ONE

Visit the following Internet portal to apply for entry to Mexico and pay the required fees: <https://www.banjercito.com.mx/registroEmbarques/>

For additional information visit:

<https://www.gob.mx/inm/acciones-y-programas/sport-fishing-and-nautical-tourism>

Follow the instructions and save the electronic receipt. You will need it when you e-mail the passenger list to INM in the next step. Also print out a copy to keep with you on the boat.

The following information must be provided:

- a. Passport number of the person responsible for the vessel
- b. Vessel Documentation (State or Federal Documentation).
- c. A \$575 Mexican Pesos fee per each visiting foreigner as required by the Federal Fee Act (Ley Federal de Derechos), Article 8, Section I. The fee must be paid using a credit card for each person INDIVIDUALLY. Group payments are not allowed.

STEP TWO

Download and complete the spreadsheet with the information of the vessel and passengers from:

<http://www.inm.gob.mx/gobmx/word/index.php/instructions-for-the-shipment-of-electronic-passenger-lists>

Here you will find the following:

- A Sample Form (spreadsheet) for submission of a list of maritime passengers and crew members — delete the sample information and insert your passenger list. Save it to your computer following the instructions on the web page including how to name the file correctly.
- A guide for filling the Form for the submission of a list of maritime passengers and crew members
- An e-mail Directory/List of INM Ports addresses for submission of lists of maritime passengers and crew members.

STEP THREE

E-mail the completed spreadsheet to INM and copy of your receipt (See STEP TWO above, 3rd bullet on how to find the correct e-mail address)

As an example, if you are leaving from Southern California you should send the e-mail to the Ensenada INM Office at: **BC_ensenada@inami.gob.mx**. Visit the following for more information:

<https://www.gob.mx/inm/acciones-y-programas/sport-fishing-and-nautical-tourism>

Once the visitors information outlined above is sent to INM, INM will e-mail you back the entry authorization (or denial) to the individuals intending to enter Mexico’s territorial waters onboard the given vessel. The document must be kept aboard the vessel at all times along with the receipt of payment.

The receipt must be presented to the Mexican Immigration Authorities at the first Port of Entry in exchange for each individual’s FMM (see next page for additional information).

- The authorizing e-mail will also contain INM’s permit to enter as a Visitor Without Permission to Perform Activities for Profit (i.e. work for income/profit).
- The length of the stay will be the amount of time requested by the applicant, but shall not exceed 180 days, and cannot be used for multiple entries and departures.
- A copy of your information will be sent to the Secretary of the Navy (*MARINA*) and to the Port Captain.

OCEAN SEARCH & RESCUE IN MEXICO

An integral part of SEMAR – Secretaría de Marina (*Secretariat of the Navy*) is to oversee the safety of human life at sea through Search and Rescue (SAR) operations within Mexican territorial waters.

In order to be able to respond in an immediate an efficient manner to every call for help as a result of adverse circumstances–meteorological or otherwise, the Maritime Search and Rescue has been established. Ocean Search, Recue and Surveillance (**ENSAR**) is administered by the Command and Control Center (CC2) of the General Armed Forces of Mexico.

IMMIGRATION REQUIREMENTS WHICH MUST BE PROCESSED AT THE FIRST PORT OF ENTRY IN MEXICO BY INDIVIDUALS CRUISING MEXICAN TERRITORIAL WATERS.

Passport/Visa

- ALL foreigners traveling to Mexico, including U.S. citizens, are required to carry a valid and current passport to enter Mexico. Non-Mexicans from certain countries may also require a Visa. Contact a Mexican Consulate for a list of these countries or: <https://consulmex.sre.gob.mx/saltlakecity/index.php/avisos/83-bya3>

- When arriving at your **first Mexican port of entry** you will need to check-in at the local immigration office and each crew member must present his/her passport and will need to fill out an entry permit, now called an FMM and pay \$575.00 Mexican Pesos per person at the bank, **unless the fee was paid online prior to arriving in Mexico in which case you must present every individual's online payment receipt.**

- The length of the stay will be the amount of time requested by the applicant, but shall not exceed 180 days, and cannot be used for multiple entries and departures.

A Passport **Book** allows U.S. Citizens to travel to/from Mexico using any means of transportation.

A Passport **Card** allows U.S. Citizens to enter Mexico territorial waters by boat e.g. on a sports fishing trip, and then return to the United states. WITHOUT going ashore in Mexico.

FMM — FORMA MIGRATORIA MULTIPLE

- Forma Migratoria Multiple loosley translates into “Multiple Immigration Form.”

- It is simply known as FMM, and is the permit form required to enter Mexico by boat and whether you go ashore or not.

Each person must fill out an FMM form upon arrival.

- All foreigners entering Mexico by land with a trailerable vessel are required to obtain an FMM at the first port of entry, e.g. TIJUANA, TECATE, MEXICALI, NOGALES, etc.

If boarded by Mexican Authorities, you will be asked to show proof of a valid FMM.

You keep this portion.

DO NOT LOOSE OR MISPLACE THIS DOCUMENT! You will need to surrender it upon leaving the country.

VESSEL DOCUMENTATION REQUIREMENTS

- Every vessel entering Mexico must carry ORIGINAL current Vessel Documentation or Registration that proves ownership; this means Federally Documented vessels will need to present a USCG Certificate of Documentation and undocumented vessels will need to have a valid State Registration. Foreign flag vessels from Canada, Australia, United Kingdom, British Virgin Islands, Cayman Islands, Republic of Marshall Islands, Japan, etc., will require a current Certificate of Registry.
- All vessels registered under a Corporation or LLC or when the legal owner is not on board, are required to have an original notarized letter onboard authorizing the Master or Representative to operate the vessel.
- Boat Captain or Master must present proof of competency for recreational boaters (example: Captains License, State Boating Card or International Certificate for Operators of Pleasure Craft (ICC))

TEMPORARY IMPORT PERMIT FOR VESSELS (TIP)

All vessels larger than 4.5m (15ft) are required to have a Temporary Import Permit (TIP) when in Mexico.

The ORIGINAL TIP must be on board the vessel at all times.

A TIP may be obtained from the following sources:

- Online prior to your departure for Mexico. Apply between 60 and seven days before you depart at: <https://www.banjercito.com.mx/registroVehiculos/>
- At the first Mexican official port of entry in Mexico, available at any Banjercito CIITEV office at one of the following Mexican ports of entry, as well as border entry ports:
 - Acapulco ■ Coatzacoalcos ■ Ensenada ■ Guaymas ■ La Paz ■ Lazaro Cardenas ■ Manzanillo ■ Mazatlan ■ Pichilingue ■ Puerto Juarez ■ Puerto Vallarta ■ Salina Cruz ■ Tampico ■ Veracruz
- You may also acquire the TIP at the following Mexican Consulates:
 - CALIFORNIA: Los Angeles, Sacramento, San Bernardino
 - ARIZONA: Phoenix ■ TEXAS: Austin, Dallas, Houston
 - COLORADO: Denver ■ ILLINOIS: Chicago ■ NEW MEXICO: Albuquerque

YOU CAN VERIFY IF YOUR BOAT HAS A TIP ALREADY ISSUED TO YOU OR A PREVIOUS OWNER:
https://portalsat.plataforma.sat.gob.mx/aduanas_cpitv_internet/index.aspx#

If the vessel does not have a Temporary Import Permit “TIP” on board, or fails to exit Mexico prior to it’s expiration, the vessel will be considered to be in Mexican territory illegally and may be subject to fines and/or confiscation by Customs Authorities.

Temporarily Imported Vessels cannot be sold in Mexico and chartering requires Mexican permits.

INSURANCE All vessels in Mexican waters are required to show proof of valid Liability Insurance. Check your policy to make sure the vessel is covered in the areas you will be cruising and visiting.

VALIDITY OF A TIP

A TIP is valid for a period of 10 years from the issue date, allowing for multiple entries during this period.

A new Temporary Import Permit - TIP- may be requested for an additional 10 years for the same vessel as long as it is processed within 45 days prior to the permit’s expiration date, by internet, through banjercito.com.mx, or at any of the CIITEV centers, without the need for the vessel’s inspection, plus, there is not need to submit Exit papers if renewing the TIP wihtin 45 prior to the TIP’s expiration date.

CANCELLATION OF A TIP

If the vessel will be leaving Mexico BY LAND:

Vessel must be made available for inspection to Customs Officials at the Port of Entry chosen to exit Mexico. The authorized individual must be present at the same time and must show the original Import Permit (TIP) and the Mobil Accessory List.

If the vessel will be leaving Mexico BY SEA on its own bottom:

Owner may cancel the TIP by surrendering the original and a copy of the following documents:

- Port Captain clearance
- Mobil Accessory List
- Original TIP (Temporary Import Permit)

If vessel will be leaving Mexico AS CARGO on a Yacht Transport Ship:

The TIP may be cancelled at the Banjercito office. The cargo manifest, indicating vessels characteristics (name, registration or HIN) must be submitted.

NOTE:
The above documents may be sent via registered mail to the Banjercito Central Offices or to a Banjercito office at any port of entry. Mexican Customs Officials will also accept the “Vessel Entrance or Clearance Statement” issued by U.S. Customs and Border Protection as proof that a vessel left Mexico and will facilitate the cancellation of the Temporary Import Permit.

CLEARING INTO MEXICO FOR THE FIRST TIME

A vessel must clear-in when entering Mexico at the first official port of entry.

The clear-in process is as follows:

- a. Complete the Crew List Document
- b. Go to the immigration office and get the Crew List properly stamped and have FMMs (Forma Migratoria Multiple) issued for all passengers
- c. Go to the Port Captain’s Office with the completed form to pay the Clear-In Fee and have the document duly authorized and stamped. In some ports you may be required to pay a Port Use Fee with the API (Port Administrator).

CLEARING INTO AND OUT OF PORTS WITHIN MEXICO (“CABOTAGE”)

- If you are navigating from one Mexican port to another, all that you will require is that you inform the Harbor Master or marina of your arrival or departure by means of an “Aviso” [Notification].
- Depending on the Harbor Master’s office, some may require a written notification, while others allow a verbal one via VHF, channel 16.
- In some ports you must pay a Port Use Fee when arriving and anchoring (if you anchor out). These fees are paid to the API (The Port Administration).

CLEARING OUT OF MEXICO

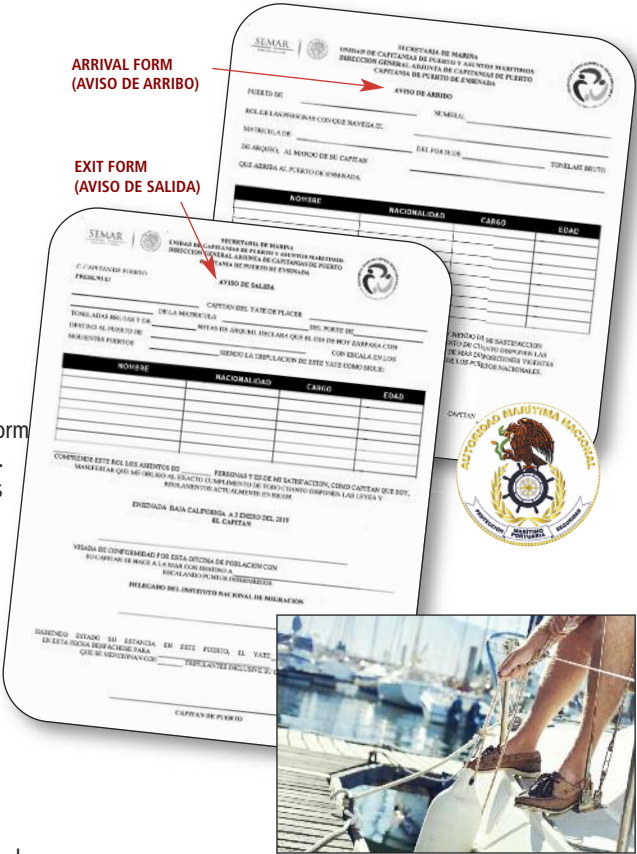

A vessel must clear-out when leaving Mexico at the last official port of exit.

IMPORTANT: Do not skip the clear-out process, since the next time you visit Mexico, your information may show that you never left the country and therefore you are considered to be in Mexico illegally.

IMPORTANT: You will also need your last exit paperwork when cancelling or renewing your TIP

The clear-out of Mexico process is as follows:

- a. Complete the Crew List for exiting Mexico (“Despacho”, previously know as “Zarpe”).
- b. Go to the Immigration office to get the Crew List stamped and surrender the FMM forms.
- c. Go to the Port Captain’s office to pay the Vessel’s Check-out fees and have the crew list stamped with the authorization to exit the country of Mexico. Boat Captain or Master must present proof of Competency for recreational boaters (example: Captains License, Sate Boating Card or International Certificate for Operators of Pleasure Craft (ICC)
